All Math Levels - All ages

Tutoring sessions catered to your child's specific needs.

- Homework Support
- Personal lesson plans

\$75

**Per 1 hour
session**

- Flexible Scheduling
- Test Taking Strategies

I have a degree in mathematics from UC Davis and I am a credentialed math teacher with over 15 years of classroom experience. I have over 30 years experience tutoring and helping students of all ages gain confidence in math and improve skills. In addition, I am successful working with students who crave enrichment and want to work ahead of their school topics.
